Nurgissa Itkarinov

Nurgissa Itkarinov | Junior Frontend Developer in Astana, KZ
Нур-Султан, Казахстан

Общие сведения

Since 2022, I have been passionate about learning JavaScript programming languages. I am studying programming, web development, writing websites in HTML5, CSS3, JavaScript.

In November 2022 started learning at nFactorial School to Fullstack Junior Frontend Developer.

Looking for a frontend developer job offers.

С 2022 года я занимаюсь изучением языков программирования JavaScript. Я изучаю программирование, веб-разработку, написание сайтов на HTML5, CSS3, JavaScript, React.

В ноябре 2022 года начал обучение в nFactorial School на Full stack Junior Frontend Developer.

Ищу вакансию фронтенд-разработчика.
